REP THANK YOU!

The following heartfelt acknowledgment was recently sent to our Director of the Religious Education Program. It expresses our gratitude to Staci and all the teachers who we entrust our children to each week!

Good Evening Staci,

Hope all is well.

We heartily appreciate your efforts and hard work as well as the teachers' dedication to enriching our kids with spiritual knowledge and making the virtual learning fun. (Our student) is really enjoying the Catechism with Mrs. Sweet and Ms. Sally.

(We) joined all the virtual meetings and we were really pleased and blessed to have such a passionate, good communicator/listener, professional and organized person as you Staci.

We are asking our Savior, Blessed Virgin Mary and St Sharbel for a quick control and end of the Coronavirus currently ravaging our World.

Jesus, We Trust in You. Amen.

Thank you for all your dedication and support.

CONGRATULATIONS!

PASTOR'S CORNER

Dear Parishioners and Friends,

“And in the silence of our cities,
 the Easter Gospel will resound.

In the risen Jesus,
 life conquered death.”
 ~Pope Francis

We continue our Easter celebration of life as we continue to walk through the darkness of the Coronavirus pandemic. To say that we have never been here before in our lifetimes is an understatement. This is a totally new experience for all of us – an experience we never would have imagined in our worst nightmares. We stumble along in the midst of this nightmare. As no one knows the right steps to take, we live moment to moment.

This Sunday we celebrate the apparition of Jesus to the two disciples on the road to Emmaus. The story of those two disciples is the story of every believer in the community. The risen living Lord leads us to the road of life. We walk with Him without recognizing Him, but our hearts are burning. The Lord explains to us the meaning of life, and connects our history with the mystery of His life, death and Resurrection. He also empowers our faith, and opens our eyes to know Him, love Him, serve Him and witness for Him.

St. Luke tells us in his Gospel writing this true story, in two conflicting parts.

The first is negative, as two disciples leaving Jerusalem do not recognize Jesus on the road. They do not understand the events of His death, nor do they believe in His Resurrection despite the testimony of the women and some friends.

The second is positive. Jesus explains to these disciples that the holy scripture is about Him. As the Risen Lord, He then breaks the bread before their eyes as he did at the Last Supper. Then they recognize Him, and return to Jerusalem to proclaim the Good News with the rest of the disciples and community.

Like the disciples on the road to Emmaus, Jesus is with us during the Mass. Do we recognize Him? It is at the Eucharist that you recognize the presence of Jesus alive today. How about you? When and where do you recognize Jesus? Whom in your community resembles Jesus the most? How hard is it for you to recognize Jesus' presence in your family, friends and community?

We spent 40 days fasting in preparation for the feast of Easter. Now we are called to spend 50 days feasting in celebration. We need to hold on to our Easter belief that God always leads us from death to new life. God will lead us through this pandemic to totally new life.

In Christ,

Chorbishop Alfred Badawi, Pastor
