REP UPDATE

Merry Christmas to all the families in our Religious Education Program this year!

We may be smaller in number due to the virtual Wednesday evening classes, but the dedication has not decreased at all. Thanks to the teachers and parents who are sticking with us to make this year a good one for the children.

And many thanks for those of you who have gone above and beyond to make this a special year for the five (5) Child Safe children we adopted as well. Between the many financial donations and the gifts purchased by our families, we were able to deliver everything on the children's wish lists and more. As in previous years, it is obvious through your care selecting just the right gifts that you are giving from the heart. It makes me proud to be part of such a loving church family.

With thanks and prayers for God's Blessings,
Staci Saker
Director of Religious Education

THANK YOU!

PASTOR'S CORNER

Dear Brothers and Sisters,

On behalf of Deacon Mike, the parish staff, and myself, I would like to wish all of you and your loved ones a very Merry Christmas.

More than two thousand years ago a little baby was born in a manger; an event that changed the world. This boy-child, Jesus, is the promised Messiah who stepped down from Heaven to be born as a baby, lived a sinless life and willingly gave His life as the Perfect Lamb of God to pay a sin debt that He did not owe. As foretold in the Scriptures, He did this for you; He did this for me; He did this for the whole world. When we believe this simple truth, Jesus' payment for sin is awarded to us and we are promised eternal life.

"Christmas is tenderness for the past, courage for the present, hope for the future. It is a fervent wish that every cup may overflow with blessings rich and eternal, and that every path may lead to peace."

May you have: "The gladness of Christmas which is hope; The spirit of Christmas which is peace; The heart of Christmas which is love."

As we gather with family and friends to retell the story of God's coming among us in the past, let's allow our retelling of the cherished and familiar story to open our eyes to recognize God's coming among us today – especially through each other.

Merry Christmas! "God bless us everyone!"

Chorbishop Alfred Badawi, Pastor
