LITURGICALLY SPEAKING

FEAST OF THE EPIPHANY

On January 6, we celebrate the feast of the Epiphany of our Lord Jesus Christ. In the Eastern Churches this feast is known by two names: Epiphany and Theophany.

The Greek work, "Epiphany" means "a manifestation" or "an apparition" and the word, "Theophany, "an appearance of God."

On this day we celebrate the appearance or manifestation of Christ among us as God's Son. Christ begins his public life with his baptism by John in the Jordan river. The feast of the Epiphany reminds us not only of the baptism of Christ, but also of our own baptism. St. Ephrem in his Hymn on Epiphany says: "... Our blessed Lord came to be baptized with sinners and because of his glory the heavens were opened. The One who purifies all creatures, desiring to cleanse them, went into the waters and sanctified them for our baptism."

It is for this reason that we bless water on this day. Originally, the mystery of baptism was celebrated on this feast and the waters blessed were those of baptism.

PASTOR'S CORNER

Dear Friends in Christ,

Thank you to all who have been so generous to the parish this Christmas. Deacon Mike, Deacon Chris and I would like to thank all who remembered us with cards, gifts, sweets, and well wishes. We deeply appreciate your good wishes and your generosity. We are blessed in being able to serve you at our parish.

We also celebrate today the first Sunday of the New Year, 2023. With all that happened in 2022, I suspect that most of us were very happy to see the old year end on Saturday night and a new year dawn on Sunday. Hopefully, this new beginning gives us a fresh, new start with many new opportunities for personal and spiritual growth.

So many of the recent "2022 Year in Pictures" featured images of natural disasters, human suffering and pain. These images call us back to reality, to the things that really matter. Family and faith are at the head of that list of things that really matter.

Also high on the list are the **relationships** that sustain us and give us life. As we believe that God shows his love for us through the people He places in our lives, it is important that we do what we need to do to protect those gifts. Family gatherings throughout the warmer months reminded us of how connected we really are and the importance of maintaining those relationships.

And **the most important relationship** we should nurture, protect and spend time developing is **the personal relationship we each have with Jesus Christ!** Begin your day with prayer, even the first five minutes of your day, to connect with your Savior.

Set aside time this year to include praying daily with Scripture and the Rosary, frequenting the Sacraments of the Holy Eucharist and Confession, and spend quiet time in the presence of Our Lord before the Blessed Sacrament. These intimate moments with Christ are life giving, life sustaining! His love for you will not disappoint!

I want to thank Fr. Nabil Habchi and Fr. Roger Chikri for their loyal service to our community. We are so very grateful for and blessed by their assistance throughout the year!

Finally, I want to thank all of you, the members of our St. Sharbel parish family, for your continued support of our many, many parish ministries and activities. We have tried as much as possible to maintain our outreach ministries. I also want to thank you for your faithful financial support. Thank you to all who have gone out of their way to maintain their financial commitments to our parish. Without your continued support, we would not be here today. Together, we will make it through these dark times and continue to be a beacon of God's presence in our community. Now that we have said goodbye to 2022 and begun the New Year 2023, we look to the future with hope.

On behalf of Deacon Mike, Deacon Chris, Deacon John and myself, our prayers are for a Happy, Blessed, Peaceful and Prosperous New Year to you all and your loved ones!

Sincerely yours in Christ,
Chorbishop Alfred Badawi
