REP TEACHER / HELPER MEETING

REP TEACHER / HELPER MEETING
 SUNDAY, JULY 31, 2022
 11:00 AM
 This message is to all who believe they are called to teach or help with Religious Education. We will be meeting on Sunday, July 31st at 11:00 AM to plan for the upcoming school year.
 During this meeting I will be going over some modifications for the new year and assigning teachers to the various classes.
 I would also like to capture a list of anyone interested in being a substitute or helping in other ways. The more people we have, the more we can do for our children.
 Please e-mail REP@StSharbelMI.org if you plan to attend or would like more information. Thank you!

FROM DEACON MIKE

MYO NATIONAL RETREAT

The theme to this year's MYO National Retreat was "Who I Am". It centered around four statements that are in the Scriptures: Chosen, Forgiven, Transformed and God's Masterpiece.

The first day taught us how we are all **Chosen by God** to experience and learn of His love for us and how He wants us to share in Eternal Life with Him in Heaven.

The second day we learned that we are **Forgiven**. We learn of God's mercy and love for us despite our shortcomings. We should repent of our sins, like the disobedient son in the parable of the Prodigal Son. God wants to restore us back to a favored status before our sins were committed and He is waiting for us with open arms to show us mercy and that we belong with Him. All we have to do is go to Confession.

On the third day, we learned about being **Transformed**. Since we are chosen and forgiven, when we fall short and repent, we become Transformed in who we are as Maronite Catholics and children of God. We learned that all our truest desires lead us to Him. There is nothing in this world that can satisfy these desires. Worldly desires give us temporary satisfaction. These desires tend to lead us away from God never being satisfied. Transformation causes us to realize how much God loves each one of us and wants us to spend eternity with Him. We are His one true child. That is why we try to live virtuously and serve one another in love.

On the final day, we learned how we are all **God's Masterpiece**. Each one of us is unique in our own way and have been Blessed with talents that we can use in serving one another to glorify God. All of us advisors became transformed in showing our love and devotion to our kids who are the future disciples that are so important in last week's Gospel Reading to heal the sick and infirmed. I witnessed so many parents show love and devotion to so many of the youth, helping them to know they are loved and important to God. The parent advisors also kept all the parents not at the retreat informed of how their kids were doing.

This retreat brought out what a true Church is: a parish community that loves and serves one another in following the teachings of Christ. We should all praise God for Fr. Edward, the leader of the MYO National Board, and all Board members who worked so hard to transform each one of us with the inspiration of the Holy Spirit. They are modern day disciples, like the disciples Jesus sent out in last week's Gospel. Now one can understand why it is important to build a Church Community that grows and serves one another in bringing Christ to its members. This board did just that - engaging all the parent advisors to help our youth learn they are a child to the One True King: our Loving, Merciful God.

ANSWERED PRAYERS...

The mother of this beautiful baby boy has prayed at St. Sharbel Church during the 22nd of every month, dating back to when the Church was first being built. The mother said she has a strong devotion to Saint Sharbel and his miraculous healing. Facing difficulties with pregnancy, she continued to pray, and through the intercessions of Saint Sharbel, God granted her this beautiful baby boy. This week he visited the Relic of Saint Sharbel at our Church.

PASTOR'S CORNER

Dear Friends and Visitors,
 Today, we celebrate the 8th Sunday of Pentecost. As a Community of Faith let us remember Pope Francis as he travels this weekend to Canada to make a penitential pilgrimage for healing and reconciliation. May Saint Anne of Quebec bring peace and unity to the whole world!
 We are deeply grateful for the kindness and compassion you extended to me and to my family during this difficult time. You have touched our hearts. Thank you for joining us this weekend as we commemorate the Memorial Mass of my dearly departed Father, Albert. Sincerely, the Badawi Family.

VOLUNTEERS
 This recent event of hosting the Relics of Saint Sharbel has presented yet another opportunity for our dedicated volunteers to serve. We have many faithful volunteers who have returned yet again to help out, but have been overwhelmed at the many new servants who have stepped up and contributed greatly. Please know that each one of you helps to fulfill a special role, and we are so appreciative of your saying "Yes!" to the promptings that God has put on your heart to serve Him and His people with love and compassion! Seeing each of you, I understand what volunteering is all about. You care so deeply, and you step up to support the things you believe in regardless of the personal cost of many long hours and fatigue. Thank you for being an inspiration to us all! We look forward to teaming with you again and continuing to make a difference together. Sincerely yours in Christ,
 Chorbishop Alfred Badawi, Pastor

PERSPECTIVES FROM A VOLUNTEER

We are truly blessed to have the Relics of Saint Sharbel visit our beautiful Church. We have had not only our parishioners come to visit the Relics, but also people from other parishes, as well as people who live near our Church stop by.
 We even had a family that drove in from Cincinnati, Ohio and a family that drove here from Indianapolis just to visit the Relics.
 It has been so heartwarming to see the outpouring of love and devotion to Our Lord and His special Saint Sharbel! One young couple were with their children, and at 3:00 PM they huddled together in their pew and started to pray the Chaplet of Divine Mercy.
 People came to give thanksgiving to Saint Sharbel for his intercession! Many serious prayer intentions were given to Saint Sharbel, many came with broken hearts and implored through tears, in hopes of a miracle through Saint Sharbel! And many came in thanksgiving with grateful hearts to Saint Sharbel for his intercession. A lot of testimonies were given, which will be shared throughout this coming year Dedicated to Saint Sharbel!
 All of us volunteers and parishioners were blessed as we prayed with them and for them! Terry Mahoney
