PRAYER FOR OUR GRADUATES

Dear Lord,

We pray that you give our children wisdom and direction in making decisions in each new situation and journey you have for them.

Teach them to listen closely to your voice, that they would have a heart to obey your word and have a desire for right choices.

We pray that these we love so much would walk faithfully and diligently in all your ways.

We ask that you make their footsteps firm, that your Word would be a constant lamp for their feet and a light to their path.

May they sense the freshness of your Spirit in their lives in amazing ways.

May they be strengthened and instilled with hope for the new roads you have in store.

We ask for your wisdom and clear direction over their lives, that you would give them understanding beyond their years.

We ask for you to open doors that need to be opened and close every one that should be shut tight.

Allow every gift and treasure you have placed in their lives to grow and flourish, and to bring you glory!

In Jesus' name, we pray. Amen.

PASTOR'S CORNER

Dear Parishioners and Friends,

In today's Gospel Jesus rejoiced in the Holy Spirit and praised His Father before His disciples. The Father revealed to them, those with childlike innocence, His hidden mysteries - not to the wise and learned Pharisees! He calls us all to be His disciples. "He is gentle and humble of heart and His yoke is light!" (Mt 11:29).

This unique text of Saints Luke and Matthew (11:25-30) belonged originally to John. Christ expressed His unique Sonship to God His Father: "That the Father has given all things into His Hand." (John 3:35). The communal knowledge between the Father and the Son is a proof that the origin of the four gospels are the testimony and a witness of the faith of the early community of Christ's Divinity.

Our Lord revealed to us the Father's love for us through the gift of His only Son and wishes to share this with all His children. Do we have that heart which is after God the Father's heart?

It illustrates the superiority of love over the law throughout the bible and love for neighbor above rules and regulations. Do we judge, reject or accept one another?

The hot and humid days we experienced this past week assure us that summer is here. We yearn for this season throughout the cold winter months. Now is the time to take advantage and notice the beauty of the summer season all around us.
