STUDENT ARTICLE

"God has a reason for allowing things to happen.

We may never understand His wisdom,
but we simply have to trust His will. " - Psalm 37:5

When something happens to us, we tend to think that God is not with us, and he is punishing us, but we should never think that. We should think that God is always with us by our side through thick and thin. Always remember that God has a reason for everything, everything happens for a reason. Nothing happens by chance or by means of good or bad luck. Illness, injury, love, and lost moments all happen because God is testing us. I believe in some situations, something bad must take place for something great to come your way. We might not realize it, at the moment, but there always is a reason. There have been many events in my life that have opened my eyes to reality. An example of this going on in our lives is this disease, coronavirus. Covid probably happened for a reason. Maybe God wanted us to pray more and bring us closer to God, we will never know what the reason is. Instead of blaming God for what is happening right now we should pray to God for things to get better. Always trust God for what he does. He always has his way of everything. If God made this world, then he can do anything you ask for, the only thing is to trust him, and he will do whatever you ask for.

PASTOR'S CORNER

Dear Brothers and Sisters,
Today we begin the New Cycle of the Maronite Liturgical Year with the Sunday of the Consecration of the Church, as well as the Year 2020 is closely coming to an end. We say, myself included, thank God for the later. However, we should be saying, please Jesus help us as we are still challenged with this Covid-19 pandemic. Unfortunately, this past week the State of Michigan was one of the highest infected States in the USA. This is not over my dear people.

Last Sunday I mentioned that we need to keep up our guard meaning, that we cannot become lax in our discipline. We must wear our masks. We must sanitize our hands when entering the Church building. I ask that everyone leave the building and not congregate in the church, foyer, lobby, hallway or door ways.

It is of utter importance that we do our part in keeping each other safe. If you notice when we give you Communion we approach you with precaution. We are doing our best.

One other precaution is for us to be truly steadfast in our prayers for both an end to this pandemic as well as an end to the division in our United States of America. We must first and foremost be people of prayer, faith and integrity. We must be Catholic/Christian in every sense of the word.

Most importantly, we must continue to be strong and hopeful in our attitudes. The Lord is not trying to eradicate His creation best wishes for us to be good stewards of the Lord as well as of our faith.

2020 St. Sharbel Commemorative Ad Book

Our many praises to Maysoun Sweidan and Valerie Menassa! Thank you for your professionalism, timely assistance, and exceptional organization skills. We couldn't have done this without you. We appreciate your time and energy! You gave us a helping hand when we needed it, and the work you did supports a worthy cause. May God continue to bless you and your families!

2020/2021 Catechists

Happy New School Year! It's the start of a new learning year for the children God has entrusted to us. Whether or not you have been a catechist before, a mixture of hope and apprehension probably fills your heart. As a returning catechist, you recall the things that went well last year and hope to duplicate your successes. Remembering the things that didn't go so well, you think about the changes you want to make. Knowing that each group of children has its own special needs, you hope to recognize and meet those needs. Being realistic, however, you know that in some ways you will fail. No teacher, however well-intentioned, is perfect as God is perfect. So today let us take all our hopes and fears to our God in prayer.

I join my prayers with yours on behalf of the sick and the challenged, especially those from Covid-19. We also unite our prayers on behalf of our brothers and sisters in Lebanon and ask the Lord to sustain them and bring them out of this very difficult crisis in their lives. A special thanks to all those who supported the Lebanon Relief Drive.

May the Lord God bless and protect you from evil and harm and increase your faith and your love

With gratitude,
Chorbishop Alfred Badawi, Pastor
