### *Prayer for Life and Right Laws*

Almighty ever-living God,  
you bestow the gift of life  
as you form each of us in our mother's womb.  
Look on our nation, state, and community  
and awaken in every heart  
reverence for life.  
Protect our state from unjust laws.  
In your Name, bring to defeat  
every attack against the sacredness of life.  
Safeguard the rights of parents,  
whom you have entrusted  
with the care and formation of their children.  
Help all who believe in Jesus  
to proclaim the Gospel of Life to their neighbors.  
Dispel every anxiety and fear.  
Strengthen the bond between parents and their unborn child.  
May mothers and fathers accept and nurture the gift of life  
made in your image and likeness.

Our Lady, Queen of the Family, pray for us!  
St. Michael the Archangel, pray for us!  
St. Joseph, Protector of the Unborn, pray for us!

**PROPOSAL 3  
is NOT about protecting existing rights,  
but rather about revoking the right to life  
for an untold number of human beings.**

#### **JUST A FEW DAYS AWAY**

“There are only a few days remaining before the most consequential election in Michigan history. On November 8, our state will not only be deciding between a pro-life and pro-abortion executive branch, legislature, and supreme court; Michigan will be deciding the fate of our very constitution.

Proposal 3 is the most radical piece of abortion policy introduced anywhere in the country, and if passed, it would make Michigan the abortion center of the Midwest with laws akin to China and North Korea. Proposal 3 would place unrestricted, unregulated abortion through birth directly in our constitution. Not only that, but it would also allow minors to obtain puberty blockers, be sterilized, undergo gender reassignment, or have an abortion; all without parental knowledge or consent.

The choice we make next Tuesday will determine if millions of Michigan's unborn treasure will be allowed to draw their first breaths. This is the most important election in our history and pro-life people cannot afford to watch from the sidelines.

**When you cast your ballot, start with life.  
Please vote NO on Proposal 3.”**

**PASTOR'S CORNER**

Dear Friends and Visitors,

As I announced last week, we are beginning preparations for the 2022 Children's Christmas Play, which will be held on December 18th following the 11:30 AM Mass. Last year the children of the Parish help us take a moment from the hustle and bustle of the holiday season and pause and remember the true meaning and purpose of Christmas – celebrating the birth of Jesus. I'd like to thank you for allowing and encouraging your children to participate in the Christmas play during past years. I realize that there are many demands on our time as parents, and we try to make sure that we are providing opportunities for our children to grow. Your willingness to allow your children to participate in the Christmas play and recital is a recognition on your part that in order for your children to grow in the love of Christ, it is important for them to learn to celebrate His love from an early age. The Christmas play offers them an opportunity to do this with other children, and they learn the joy of celebrating communally. The Play also allows them to share that celebration with us – and as we all know, there is something very special about seeing Christmas through the eyes of our children.

For more information regarding this year's Christmas play, please see Rita Srour and Karena Abboud. For more information regarding the Children's Christmas Choir, please see Jessy Srour. Thank you for your cooperation.

**A MONTH OF REMEMBRANCE**

We continue to remember all of our beloved dead in prayer during this month of November. If you have been attending Sunday Mass through our live streamed Masses and feel comfortable, please consider joining us in person. The live stream Mass may have filled in a void, but nothing beats being here in person. If you feel like your "soul is hungry," it is! Nothing can replace the gift of the Eucharist in our lives. We are fully open for in person prayer - no advance reservations are needed. Come and be nourished.

**DAYLIGHT SAVINGS TIME ENDS THIS SUNDAY**

As we mark the seasonal time change to Central Standard Time on Sunday morning, the beauty of autumn is waning as the leaves drop from the trees. The earth is preparing for the death of winter. Our Scripture readings will soon turn our focus upon the coming of Christ on Christmas Eve. It is time to focus on the truly important things. May we do so as best as we can!

I remain yours in Christ,

Pastor
